

CONNOISSEURS' GUIDE

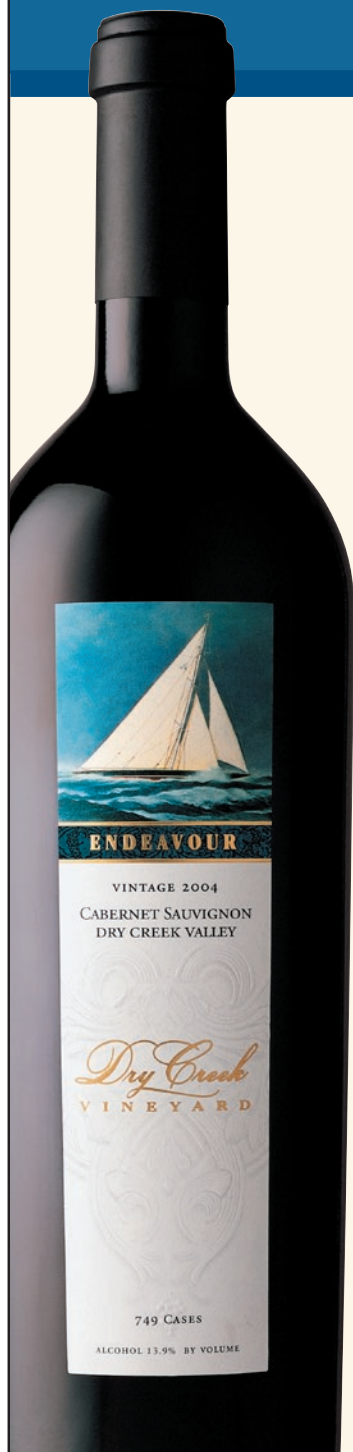

to California Wine™

APRIL 2009

2004 ENDEAVOUR CABERNET SAUVIGNON

Dry Creek Valley

89

POINTS

ONE PUFF

“Inviting aromas of currants and briar and sweet loamy soils make for a positive start here, and the wine’s complex, incisively varietal flavors follow suit. Even a few years of aging will go a long way to smoothing things out, but there are good things to come for those who exercise due patience, and we would wait for a half-decade to pass.”
