

CONNOISSEURS' GUIDE

to California Wine™

FEBRUARY 2009

GOOD VALUE

2007 FUMÉ BLANC

Sonoma County

“Slender and spry green-melon offers quiet support to fairly obvious themes of grass and minerals in both the aromas and flavors of this briskly balanced Fumé. It is an energetic and well-focused effort with the cleansing acidity needed for successful service with platters of fresh-shucked oysters or bowls of steamed mussels.”
